BUSINESS ALLIANCES

GiGCREATOR has developed multi business alliances with Billboard, CD Baby and the Winter Music Conference.

WINTER MUSIC CONFERENCE

GiGCREATOR was a major sponsor of the Winter Music Conference March 20 - 25 2007 in Miami Florida. Our full page ads appeared in the Winter Music Conference Guide Book and The List. Meetings were scheduled throughout the week of the conference at our casual poolside cabana.

In addition, GiGCREATOR President, Douglas Ruffin moderated the networking panel on March 20th at 3:00 PM. The networking panel set the tone for networking during the conference and beyond. Panelists included world famous DJ Chris the Greek, and chart topping recording artists including JES and Lucas Prata. Doug visited various showcases and announced the launch of GiGCREATOR during the Winter Music Conference.

BILLBOARD

GiGCREATOR was born out of the networking needs of DJs and Recording Artists in the dance music genres of the music industry. At that time, our brand was RealDanceFM. RealDanceFM participated in the 2006 Billboard Dance Music Summit as a major sponsor and experienced high success rate in dance music networking events. The Great networking experience inspired hundreds of Billboard Summit delegates, Reporting DJs and other industry professionals to gather and network in Las Vegas.

CD BABY

Our business relationship with CD Baby contributes added value to our Gold and Professional members of GiGCREATOR. Members receive a \$10.00 coupon for valuable music industry support.
